EPRP YOUTH LEAGUE FORMED

A congress of youth delegates held in Chicago has formed the EPRP Youth League on June 29, 2009. The congress was attended by young delegates from various places while others took part via a teleconference. A special message from the EPRP centre in Addis Ababa was read to the Congress participants.

The EPRPYL founding congress discussed the overall political situation in Ethiopia and resolved to effectively take part in the struggle to end the TPLF/ EPRDF dictatorship. The congress also resolved that the EPRPYL will continue to struggle as the youth wing of the Ethiopian People's Revolutionary Party (EPRP) and will mobilize the youth around the EPRP's objectives. The EPRPYL will struggle for the rights of the Ethiopian People. Ethiopian youth have a long history of heroic struggle as part and parcel of the EPRP, the party that paid immense sacrifices struggling against totalitarian and repressive dictatorships. The list of young EPRP members who sacrificed their lives for the freedom of the Ethiopian People is in the thousands. The formation of the EPRPYL will surely strengthen the participation of the youth in the struggle to save Ethiopia from dictatorship and to establish democracy.

The EPRPYL calls upon the youth of Ethiopia to join it in the noble struggle for Ethiopia's democratic future and unity. The EPRPYL supports the struggle of the EPRP against the dictatorship of the TPLF/EPRDF and against all the elements feverishly campaigning to eliminate it. The EPRPYL resolves to strongly campaign for the mobilization of the youth around the EPRP banner to struggle for the unity and democratic future of Ethiopia.

Victory to the united struggle of the Ethiopian Youth!

Hail the EPRPYL! Hail the EPRP!

The Ethiopian youth and people shall defeat their enemies!!
