

Martyr's List Input

Selam

Thank you so much for your effort to collect the names of the martyr's on your website. I am from the Keftegna 16 area in Addis Ababa, I would like to provide the following input:

1. **Amine Gebere Ab K16 Kebele 04 Killed 1970**
Amine was not killed in 1970, he went to Eritrea, joined EPLF and died there
2. Tesfaye Sahlu, K-16, Shola- 1969 Eth. Calendar. Actually Tesfish, who was my older brothers mentor, was killed in 1970 after the youth was rounded at the second round assesa in 1970. Also he is from Kebele 04.
3. From Kebele 04 we are missing Abera Sancho, Abu (Abebech) Legesse, Daniel Bekele, who were killed same day as Milli Fisseha and Tewodros Fisseha in Miyazia 1969 (they were rounded up on Miyazia 21, 1969 moved out of the police station in Shola after a lengthy standoff next day. Killed in the night of 22.
4. Samuel Alemu, K-16 Kebele 11, Teacher Wondimu, K-16 Kebele 02, were killed in 1970 (same day as Tesfaye Sahlu) (gash Wondimu has saved many lives as he was Chairman of the Kebele and used the position to provide the required kebele id and passes to many comrades foing to EPRA) My brother in law who is from Kebele 01 was one of the beneficiaries and remembers him saying "he sacrificed his life to save us".

I will check with my older brothers who were comrades with the gallant children of Ethiopia who sacrificed their lives for the downtrodden.

Thanks
Araya Amsalu
