Woyane handed its members & supporters a vote card 5 days before the staged election

The following is solid evidence showing how this Woyane staged election can never be fair, legitimate and valid. Below is a vote card released (and distributed) secretly to the TPLF_lead EPRDF members and supporters 5 days before the Election Day. Study the vote card carefully. Just to give you some hint:

- 1. This is a card by which voters elect for 3 seats in the so-called S.N.N.P.R. **regional** council.
- 2. Shiferaw Shigute, current chief administrator (president) of the S.N.N.P.R. is one of the 3 TPLF-lead EPRDF candidates.

3. EPRDF has three candidates; All Ethiopian Unity Party (Meiaad) 2; Meddrek 3; Sidama Liberation Movement (SLM) 3 and two other organizations have 3 candidates each.

Next is also a letter of Complaint to the Regional office of the NEB (the Woyane-appointed National Elections Board) but to no avail.
